Ok, sounds good. Thanks for you contact info, I will definitely use it if it looks like LD GHG is coming up before 2.

Thanks Kathryn, I'll plan to join you in N158 at 2pm, but in case the SAFE rule comes up before that, you could text me at Personal Privacy phone # have Gail come get me from our team meeting in C34.

The other bookend scheduling issue is that we have Borg-Warner visiting at 3pm, so fingers crossed that the SAFE topic comes up before that, but if not, I can plan to stay on the SAB call, and Mike/Bill can get started with Borg-Warner.
